Universal Design for Learning Train the Trainer Presenters Workshop

Metro East Georgia Learning Resources System, in conjunction with CAST (Center for Applied Special Technology) is bringing their Train the Trainer Presenters Workshop to you! The Presenters Workshop is designed for participants with prior working knowledge of basic UDL Principles.

Deepen your knowledge of Universal Design for Learning. Develop methods and materials for teaching others. Perfect for District Leaders, Building Level Leadership Teams, Instructional Coaches, Lead Teachers and Instructional Specialists. **Learn and redeliver!**
